116TH CONGRESS 1ST SESSION S. 249

To direct the Secretary of State to develop a strategy to regain observer status for Taiwan in the World Health Organization, and for other purposes.

IN THE SENATE OF THE UNITED STATES

JANUARY 29, 2019

Mr. INHOFE (for himself, Mr. RUBIO, Mr. MENENDEZ, Mr. BROWN, Mr. COR-NYN, Mr. MARKEY, Mr. CASSIDY, Mr. LANKFORD, Mr. BOOZMAN, Mr. MANCHIN, and Mr. ROUNDS) introduced the following bill; which was read twice and referred to the Committee on Foreign Relations

A BILL

To direct the Secretary of State to develop a strategy to regain observer status for Taiwan in the World Health Organization, and for other purposes.

1 Be it enacted by the Senate and House of Representa-

2 tives of the United States of America in Congress assembled,

3 SECTION 1. PARTICIPATION OF TAIWAN IN THE WORLD

4 HEALTH ORGANIZATION.

5 (a) FINDINGS.—Congress makes the following find-6 ings:

7 (1) The World Health Organization (WHO) is
8 a specialized agency of the United Nations, charged
9 with coordinating health efforts within the United

1 Nations The World Health Assembly system. 2 (WHA) is the decision-making body of the WHO, 3 which convenes annually in May to set the policies 4 and priorities of the organization. Statehood is not 5 a requirement for attendance at the WHA, and nu-6 merous observers, including non-members and non-7 governmental organizations, attended the most re-8 cent WHA in May 2018.

9 (2) Taiwan began seeking to participate in the 10 WHO as an observer in 1997. In 2009, with strong 11 support from successive United States Administra-12 tions, Congress, and like-minded WHO Member 13 States, and during a period of improved Cross-Strait 14 relations, Taiwan received an invitation to attend 15 the WHA as an observer under the name "Chinese 16 Taipei". Taiwan received the same invitation each 17 year until 2016, when following the election of Presi-18 dent Tsai-Ing Wen of the Democratic Progressive 19 Party, Taiwan's engagement in the international 20 community began facing increased resistance from 21 the People's Republic of China (PRC). Taiwan's in-22 vitation to the 2016 WHA was received late and in-23 cluded new language conditioning Taiwan's participation on the PRC's "one China principle". In 2017 24

and 2018, Taiwan did not receive an invitation to
 the WHA.

(3) Taiwan remains a model contributor to 3 4 world health, having provided financial and technical 5 assistance to respond to numerous global health 6 Taiwan has invested challenges. over 7 \$6,000,000,000 in international medical and human-8 itarian aid efforts impacting over 80 countries since 9 1996. In 2014, Taiwan responded to the Ebola crisis 10 by donating \$1,000,000 and providing 100,000 sets 11 of personal protective equipment. Through the Glob-12 al Cooperation and Training Framework, the United 13 States and Taiwan have jointly conducted training 14 programs for experts to combat MERS, Dengue 15 Fever, and Zika. These diseases know no borders, 16 and Taiwan's needless exclusion from global health 17 cooperation increases the dangers presented by glob-18 al pandemics.

(4) Taiwan's international engagement has
faced increased resistance from the PRC. Taiwan
was not invited to the 2016 Assembly of the International Civil Aviation Organization (ICAO), despite
participating as a guest at the organization's prior
summit in 2013. Taiwan's requests to participate in
the General Assembly of the International Criminal

1 Police Organization (INTERPOL) have also been 2 rejected. In May 2017, PRC delegates disrupted a 3 meeting of the Kimberley Process on conflict dia-4 monds held in Perth, Australia, until delegates from 5 Taiwan were asked to leave. Since 2016, the Demo-6 cratic Republic of São Tomé and Príncipe, the Re-7 public of Panama, the Dominican Republic, Burkina 8 Faso, and the Republic of El Salvador have termi-9 nated longstanding diplomatic relationships with 10 Taiwan and granted diplomatic recognition to the 11 PRC.

12 (5) Congress has established a policy of support 13 for Taiwan's participation in international bodies 14 that address shared transnational challenges, par-15 ticularly in the WHO. Congress passed H.R. 1794 16 in the 106th Congress, H.R. 428 in the 107th Con-17 gress, and S. 2092 in the 108th Congress to direct 18 the Secretary of State to establish a strategy for, 19 and to report annually to Congress on, efforts to ob-20 tain observer status for Taiwan at the WHA. Con-21 gress also passed H.R. 1151 in the 113th Congress, 22 directing the Secretary to report on a strategy to 23 gain observer status for Taiwan at the ICAO Assem-24 bly, and H.R. 1853 in the 114th Congress, directing 25 the Secretary to report on a strategy to gain observer status for Taiwan at the INTERPOL Assem bly. However, since 2016 Taiwan has not received
 an invitation to attend any of these events as an ob server.

5 (b) AUGMENTATION OF REPORT CONCERNING THE
6 PARTICIPATION OF TAIWAN IN THE WORLD HEALTH OR7 GANIZATION.—

(1) IN GENERAL.—Subsection (c) of section 1 8 9 of Public Law 108–235 (118 Stat. 656) is amended 10 by adding at the end the following new paragraph: 11 "(3) An account of the changes and improve-12 ments the Secretary of State has made to the 13 United States plan to endorse and obtain observer 14 status for Taiwan at the World Health Assembly, 15 following any annual meetings of the World Health 16 Assembly at which Taiwan did not obtain observer 17 status.".

(2) EFFECTIVE DATE.—The amendment made
by paragraph (1) shall take effect and apply beginning with the first report required under subsection
(c) of section 1 of Public Law 108–235 that is submitted after the date of the enactment of this Act.
