1 **SEC. 3. FINDINGS; SENSE OF CONGRESS.**

2 (a) FINDINGS.—Congress makes the following find-
3 ings:

4 (1) Between June 28, 2022, and January 15,
5 2025, with strong bipartisan support, the Office of
6 Foreign Assets Control of the Department of the
7 Treasury and the Department of State designated,
8 for the imposition of sanctions, a wide range of enti-
9 ties and individuals based in the People’s Republic
10 of China that have been involved in supplying goods
11 to Russian entities responsible for developing, pro-
12 ducing, and supplying items critical to the defense
13 industrial base of the Russian Federation. Those
14 designations targeted, among other entities, pro-
15 ducers and exporters of computer numerical control
16 items, electro-optical equipment, radar components,
17 satellite imagery, aviation components, chemical in-
18 gredients in Russian explosives, and other defense
19 and dual-use equipment and technology critical to
20 the Russian Federation’s defense industrial base.

21 (2) Entities and individuals based in the Peo-
22 ple’s Republic of China continue to evade United
23 States sanctions to provide material support to the
24 defense industrial base of the Russian Federation.

25 (3) Under Executive Order 13959 (50 U.S.C.
26 1701 note; related to addressing the threat from se-

1 securities investments that finance Communist Chi-
2 nese military companies); the President found that
3 the People's Republic of China "increases the size of
4 the country's military-industrial complex by compel-
5 ling civilian Chinese companies to support its mili-
6 tary and intelligence activities. Those companies,
7 though remaining ostensibly private and civilian, di-
8 rectly support the PRC's military, intelligence, and
9 security apparatuses and aid in their development
10 and modernization."

11 (4) Ongoing support for the defense industrial
12 base of the Russian Federation by the People's Re-
13 public of China requires concerted action by the De-
14 partment of the Treasury and the Department of
15 State to protect the national security of the United
16 States.

17 (b) SENSE OF CONGRESS.—It is the sense of Con-
18 gress that—

19 (1) the Russian Federation's continued invasion
20 of Ukraine is directly enabled by the ongoing sup-
21 port of the People's Republic of China for the de-
22 fense industrial base of the Russian Federation; and

23 (2) in response, and to impede the support of
24 the People's Republic of China for the Russian Fed-

1 eration's war against Ukraine, the President
2 should—

3 (A) cut off financing avenues for entities
4 in the People's Republic of China that are pro-
5 viding material support to the defense and re-
6 lated sectors of the economy of the Russian
7 Federation;

8 (B) impose sanctions with respect to enti-
9 ties and individuals in the People's Republic of
10 China involved in the export of weapons and
11 dual-use technology to the Russian Federation;

12 (C) determine whether the United States
13 should impose sanctions with respect to major
14 arms exporters in the People's Republic of
15 China for aiding the defense industrial base of
16 the Russian Federation; and

17 (D) develop a strategy to coordinate with
18 allies and partners of the United States to deter
19 and undermine the ongoing support of the Peo-
20 ple's Republic of China for the Russian Federa-
21 tion's war in Ukraine.
