

115TH CONGRESS
2D SESSION

S. 3257

To impose sanctions on foreign persons responsible for serious violations of international law regarding the protection of civilians during armed conflict, and for other purposes.

IN THE SENATE OF THE UNITED STATES

JULY 24, 2018

Mr. CRUZ (for himself, Mr. DONNELLY, Mr. CORNYN, Mr. BLUMENTHAL, Mr. SCOTT, Mr. MARKEY, Mr. RUBIO, and Mr. PERDUE) introduced the following bill; which was read twice and referred to the Committee on Foreign Relations

A BILL

To impose sanctions on foreign persons responsible for serious violations of international law regarding the protection of civilians during armed conflict, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Sanction Terrorist Op-
5 erations Using Human Shields Act of 2018” or the
6 “STOP Using Human Shields Act”.

1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) The international law of armed conflict pro-
4 hibits, during any armed conflict—

5 (A) the exploitation of the presence or
6 movement of civilians in an effort to impede at-
7 tack on or otherwise shield lawful targets;

8 (B) exposing prisoners of war, other de-
9 tainees, the wounded and sick, or other individ-
10 uals subject to special protection under inter-
11 national law, to unnecessary risks resulting
12 from the conduct of hostilities;

13 (C) using such persons to impede attack
14 on or otherwise shield lawful targets; and

15 (D) deliberately causing the injury or
16 death of such persons.

17 (2) Violating these prohibitions regarding civil-
18 ians and other specially protected persons is known
19 as the use of “human shields” and is a serious viola-
20 tion of international law subjecting those responsible
21 to individual criminal liability.

22 (3) The international law of armed conflict also
23 prohibits exposing property subject to special protec-
24 tion under international law to unnecessary risks re-
25 sulting from the conduct of hostilities, including a
26 prohibition against using such property to impede

1 attack on or otherwise shield lawful targets from at-
2 tack or to deliberately cause destruction of such
3 property. Such use of specially protected property is
4 a serious violation of international law, subjecting
5 those responsible to individual criminal responsi-
6 bility.

7 (4) Every party to an armed conflict is prohib-
8 ited under international law from using human
9 shields in an attempt to cause law-abiding armed
10 forces to forgo attacks on otherwise lawful targets.

11 (5) When law-abiding armed forces do attack in
12 such situations, the party using human shields fre-
13 quently hopes to discredit the law-abiding opponent
14 by blaming the opponent for civilian casualties,
15 which are in fact attributable to the unlawful use of
16 human shields.

17 (6) Terrorist groups routinely use human
18 shields to force law-abiding opponents to conduct at-
19 tacks in circumstances where civilian casualties be-
20 come unavoidable. While this unlawful tactic in no
21 way absolves an attacking force from its obligations
22 to do everything feasible to mitigate the risk of such
23 casualties, such illegal tactics inevitably influence the
24 efficacy of feasible precautions.

1 (7) In accordance with the proportionality rule,
2 an assessment of the legality of attack indicates that
3 these terrorist groups bear responsibility for such
4 casualties when such attack is otherwise legally per-
5 missible.

6 (8) Hizballah, designated by the Secretary of
7 State as a foreign terrorist organization, has repeat-
8 edly used human shields. Throughout its 2006 con-
9 flict with Israel, Hizballah forces purposefully used
10 civilians in an effort to shield themselves against at-
11 tacks by Israeli forces, including by storing weapons
12 inside civilian homes and launching attacks from fir-
13 ing positions in areas of dense civilian population,
14 often in or near homes, schools, mosques or hos-
15 pitals, in order to shield such positions from attack.

16 (9) Hizballah has since rearmed and built up
17 an arsenal of some 150,000 rockets and missiles, in
18 addition to other destabilizing weapons, provided by
19 the Iranian and Syrian governments. These weap-
20 ons, as well as Hizballah command posts, logistics
21 depots, and other vital military assets, are often con-
22 cealed in Shiite villages in southern Lebanon, fre-
23 quently within or near homes, hospitals, schools, and
24 mosques.

(10) Hamas, also designated by the Secretary of State as a foreign terrorist organization, has also repeatedly used human shields. Hamas routinely and purposefully uses civilians and the civilian population to shield military assets from attack, including by launching attacks from firing positions in areas of dense civilian population, often in or near schools, mosques, or hospitals, in order to shield such positions from attack.

(11) Other unlawful Hamas tactics include discouraging Palestinian civilians from heeding Israeli warnings, instructing Palestinian civilians to remain in their homes, and encouraging or forcing Palestinian civilians to gather on the roofs of their homes to act as human shields. In June 2017 and again in October 2017, the United Nations Relief and Works Agency announced that it had discovered Hamas tunnels under its schools in the Gaza Strip.

1 attacks against Israel on Hamas and other terrorist
2 organizations, such as Palestine Islamic Jihad”, and
3 “supports the sovereign right of the Government of
4 Israel to defend its territory and its citizens from
5 Hamas’ rocket attacks, kidnapping attempts, and
6 the use of tunnels and other means to carry out at-
7 tacks against Israel”.

8 (13) In addition to Hizballah and Hamas, other
9 groups designated by the Secretary of State as for-
10 eign terrorist organizations, including the Islamic
11 State, Palestinian Islamic Jihad, Boko Haram, Al-
12 Shabaab, and al Qai’da, have repeatedly used similar
13 human shield tactics in violation of international
14 law.

15 (14) The international community has routinely
16 failed to hold terrorist organizations and their per-
17 sonnel accountable for the use of human shields. In
18 addition, unlike many state actors, there is no indi-
19 cation that terrorist organizations possess the capa-
20 bility or the will to investigate and prosecute their
21 members for the use of human shields (or indeed
22 any other war crimes). Instead, many terrorist orga-
23 nizations routinely use human shields as a deliberate
24 tactic during armed conflict, reflecting a complete

1 disregard for the obligations established by international
2 law to mitigate the risk to civilians.

3 (15) Absent appropriate and consistent international,
4 national, and public condemnation and enforcement
5 of the prohibitions against using human shields,
6 terrorist organizations will likely continue to engage
7 in such criminal exploitation of civilians during armed conflicts.

9 **SEC. 3. STATEMENT OF POLICY.**

10 It shall be the policy of the United States to—

11 (1) officially and publicly condemn terrorist organizations and others that violate the international law of armed conflict by exploiting civilians, other persons specially protected by international law, or specially protected property, in order to impede attack on or otherwise shield lawful targets from attack, deliberately cause injury or death to civilians or other specially protected persons, or destroy specially protected property; and

20 (2) take effective action against those knowingly engaging in, encouraging, supporting, ordering, controlling, directing, facilitating, enabling, or otherwise being complicit in such violations of international law or attempts to commit such violations.

1 **SEC. 4. UNITED NATIONS SECURITY COUNCIL.**

2 The President should direct the United States Per-
3 manent Representative to the United Nations to use the
4 voice, vote, and influence of the United States at the
5 United Nations Security Council to secure support for a
6 resolution that would—

7 (1) emphasize that the law of armed conflict
8 imposes an obligation on all parties to any armed
9 conflict, including non-state organized armed groups,
10 of compliance;

11 (2) condemn the use of human shields and rein-
12 force that such use is a violation of international
13 law;

14 (3) impose multilateral sanctions against ter-
15 rorist organizations for the use of human shields;

16 (4) require member states of the United Na-
17 tions to take specific steps to prevent the use of
18 human shields and impose consequences on those
19 who use, attempt to use, or encourage or support
20 the use of human shields;

21 (5) require organizations and agencies of the
22 United Nations to track and report the use of
23 human shields in monitored conflicts; and

24 (6) specify steps to prevent, and consequences
25 for, the use of United Nations personnel or facilities
26 as human shields.

1 **SEC. 5. SANCTIONS ON FOREIGN PERSONS RESPONSIBLE**
